Thank-you for your interest in our farm. It is in large part you, our customers that make Ashton Glen Farm what it is. You share our values about good food which tastes great, is good for you, good for the planet and good for the animals who we share our farm with.

For 2016 ordering we will follow the same process as in previous years. Our past year's customers get the first crack at 2016's produce. They have until late April to place their order for this year. We then move to our "reserve list" of people who are interested in placing an order. To be placed on the reserve list you can simply send an email to [dave@ashtonglenfarm.ca](mailto:dave@ashtonglenfarm.ca) and indicate whether you are thinking about pork, beef, or both.

At the end of April, we will have firmed up this year's production and pricing. At that time we will contact you on a first come, first serve basis, and you can firm up your order (or not). If we have room, then you are in, and we will ask for a deposit.

To get an idea about what to expect you can check out these links:

By April these links will be updated on our web page with 2016 information. I wouldn't expect any major changes between then and now.

If you have need further information or clarification, please do not hesitate to ask.

Best Regards,

Dave and Diane Smith

*P.S. If you are interested and email us, it helps if you add our email address to your contact list. There is less likelihood that we will end up in your spam box, which does happen from time to time.*
